

PUBLIC EDUCATION FOUNDATION SCHOLARSHIPS & AWARDS TERMS AND CONDITIONS

This document outlines the Terms and Conditions for scholarships and awards administered by the Public Education Foundation (PEF). All scholarships and awards will be referred to as 'scholarships' herein.

You must read these Terms and Conditions in full. In accepting a scholarship from the Foundation, it is understood that you have read and agree to comply with these Terms and Conditions.

Please note, if you are under 18 years of age, your parent or guardian must read and consent to these terms and conditions on your behalf.

Further information about each scholarship is available on the website www.publiceducationfoundation.org.au/scholarships or obtained by emailing info@publiceducationfoundation.org.au

ACCEPTING YOUR SCHOLARSHIP

Successful scholarship applicants will receive an email detailing the scholarship benefits and payment timing. If you do not wish to accept a scholarship that you have been offered, you should advise us immediately in writing.

Your scholarships details may be passed on to your school, donors or partner organization (where applicable). If you do not wish for your details to be passed on, you must advise the Foundation in writing.

PEF reserves the right to change the title of the scholarship awarded depending on funding contributions from external parties. If the funding level or eligibility changes, PEF will advise the recipient before changing any details but name changes can occur without notice.

If a scholarship applicant is offered a different scholarship to the one they applied for, this will be considered instead of, rather than in addition to, the original scholarship. PEF will only issue one scholarship per applicant per year. ***Students are not permitted to hold concurrent scholarships with the Public Education Foundation.***

HOW YOUR SCHOLARSHIP IS PAID

The method of payment will be advised to you once you have completed your scholarship commencement survey. In most cases, scholarship payments for school students are made to the student's school. Students must meet with their Principal to discuss how the scholarship funds are to be spent. The Foundation is not liable for any payment that may be withheld by schools.

Higher education students (e.g. university, TAFE or CIT) receiving scholarships will receive payment directly once they have completed their survey and provided proof of their full-time enrolment in tertiary or vocational education.

At the end of each academic year for the duration of your scholarship you will be asked to provide a report detailing how the scholarship funds have been spent. It is the responsibility of the scholarship recipient to provide this report to the Foundation by the specified time. Failure to return reports by the specified time may result in future payments being withheld.

ELIGIBILITY REQUIREMENTS

All scholarships are awarded on the basis that you will maintain an enrolled status at a public school or full time enrolment in your approved course of tertiary or vocational education. Your scholarship may be terminated if your enrolment status changes, for example if you discontinue your school studies or university course, transfer to a non-government school or, in the case of vocational education, a private training provider or move to a different geographical jurisdiction from where your scholarship was originally awarded.

To retain your scholarship you must also:

- at a minimum, maintain your attendance and academic performance as at the time of your application, and immediately notify the Foundation of any extenuating circumstances that may prevent you doing so;
- adhere to the academic and administrative policies of the school and/or education institution at which you are enrolled;
- maintain your residency status and advise the Foundation within fourteen days if you change your residency status;
- meet any additional criteria outlines in your letter of offer; and
- provide confirmation of your circumstances during the term of the scholarship if requested by the Foundation.

DEFERRING YOUR SCHOLARSHIP (UNIVERSITY STUDENTS ONLY)

Requests for deferment of scholarship will be determined on an individual basis and at the discretion of the Foundation. Scholarships will not be paid while students are on leave of absence or on temporary withdrawal from their course of study.

SCHOLARSHIP TERMINATION

The Foundation may terminate your scholarship if you have:

- discontinued from your government school or approved course of study or have inactive enrolment;
- failed to meet the eligibility requirements of your scholarship;
- failed to meet the scholarships terms and conditions;
- failed to maintain satisfactory academic progress;
- been suspended or excluded from school or your course of study;

- moved to a different geographical jurisdiction from where your scholarship was originally awarded;
- been made an incorrect scholarship offer as determined by the Foundation at its sole discretion; and/or
- have provided incorrect, false or misleading information or withheld relevant information on your scholarship application or after receiving a scholarship offer.

If your scholarship is terminated, you will not receive any further payments. You may be required to repay some or all of your scholarship.

REPAYMENT OF YOUR SCHOLARSHIP

You will need to repay the scholarship if:

- the payment is made to you in error or you have been overpaid;
- your scholarship is terminated
- you do not meet the conditions of the scholarship or are deemed to be ineligible for the scholarship; and/or
- you have been made a scholarship offer in error.

In the event that you are required to repay your scholarship, you must do so within 4 weeks of receiving the notification.
