

Celebrating Excellence
in Public Schools

2021

PROUDLY PUBLIC

AWARDS

PUBLIC EDUCATION
FOUNDATION 

WELCOME

Monday 31 May 2021

Sydney Town Hall
483 George Street, Sydney

It's terrific to be returning to the Sydney Town Hall for the 2021 Proudly Public Awards.

After many months apart, tonight we are able to come together again to celebrate the enduring values of Australian public education. The last year has tested these values like nothing in living memory, and public schools have passed with flying colours.

Character and resilience are two of those values that have shone through, and they'll be on display again tonight in the stories of our winners. You'll also witness excellence – in the performances, the speeches, the personal stories.

You'll be entertained by the Southern Stars of the NSW Department of Education, inspired by public school student and teenage climate activist Jean Hinchliffe and guided by journalist and radio/TV presenter Tom Tilley.

Of course, the evening is also an opportunity to show our gratitude to the many wonderful supporters of public education – the individuals, foundations and companies who give generously to make these scholarships possible. On behalf of all our winners and their families, I know you'll join me in thanking them.

If there's one thing I'd ask you to take away tonight, it's this... don't be reluctant to fly the flag for public education. Too often in public schooling, we hide our light under a bushel so next time you're in a conversation about schools, remember the stories you've heard here tonight and the exceptional things that take place in your own school, and give a big wrap to public education.

Be Proudly Public!

David Hetherington
Executive Director

P.S. If you're inspired by tonight's show, please visit publiceducationfoundation.org.au to watch, share or donate!

Southern Stars Performing Company students

The Southern Stars Performing Company is a group of talented singers, dancers, and musicians who have successfully auditioned to become part of the company. The students have been selected as featured artists who perform at Southern Stars. This company also represents the Department of Education at other events

SOUTHERN STARS

Southern Stars is the premier performing arts event in Southern NSW, involving 3000 public school students performing to audiences in excess of 12,000 at the WIN Entertainment Centre in Wollongong each year.

Southern Stars gives public school students with a passion for music, dance, drama, and circus, an opportunity to perform and entertain in an enthralling celebration of creativity and talent in a world class arena spectacular event.

With a focus on excellence, participation, collaboration and fun - for most students participating in Southern Stars it is the highlight of their school years!

Many students involved in the show over the last 20 years, both as performers and back stage support, have gone on to forge successful careers in the entertainment industry, crediting their experiences in the program for honing their skills and talents.

Over 200 teachers and staff members generously devote their time and energy to the program as choreographers, tutors, in stage management, and many other areas, passing on their expertise, and inspiring and facilitating a new generation of entertainers.

The program is self-funded from ticket sales and generous sponsors, and supported by the NSW Department of Education.

“ This scholarship will enable me to be a positive role model to my family, community and school. I am grateful that this scholarship can break down those financial barriers that can at times limit my access to extracurricular, school activities and keep me well connected to my culture and community.

YEAR 11

GO Scholarship recipient

“ This scholarship will help me obtain a laptop among various other school items (e.g. textbooks and binders), which normally would require my dad to pay for. On occasions, finances have gotten tight and my dad has struggled to pay for everything including school. The 1000 dollars would benefit greatly in easing the financial pressure placed upon my dad and better both his and my situation.

“ The Public Education Foundation Scholarship will be a huge benefit in allowing me to fully access and involve myself in my tertiary studies. Through the Walter and Eliza Hall Scholarship, I will be able to access supports such as assistive technologies that will allow me to wholly commit and fully engage in my studies, allowing me to perform to my highest ability despite the burdens of my disability.”

As we've grown to become one of Australia's largest mutual banks, with over 210,000 members and more than \$9 billion in assets, two things have never changed, our passion for a thriving education sector and helping educators achieve their professional and financial goals.

Harding miller
EDUCATION FOUNDATION

The Harding Miller Education Foundation supports high potential girls who are facing socio-economic disadvantage through a \$20,000 scholarship from year 9 to 12 of high school. Our scholarship provides the tools and resources needed for our scholars to complete high school, reach their full potential, and build direct pathways to tertiary education and a rewarding career thereafter. To date we have awarded over 600 scholarships across 300 Public High Schools in every state and territory of Australia.

The Harding Miller Education Foundation is a registered charity in Australia with all donations going directly to our scholars. A founding corpus covers all other costs.

We would like to take this opportunity to thank all our donors for their support:

“ As a beginning teacher, the scholarship awarded means a lot. Speaking with other teachers at my site, opportunities like this weren't offered when they were starting out as teachers, so it really is a huge privilege to have been successful in receiving the scholarship from Teachers Health. It provides me with a great opportunity to experience professional development in a variety of settings and further my professional knowledge.

DAMIEN NICHOLLS
Mylor Primary School, South Australia
