

WARATAH EDUCATION FOUNDATION SECONDARY TRANSITION SCHOLARSHIP

The Waratah Education Foundation Secondary Transition scholarship offers scholarships for school students entering year 7 in high school in 2022.

Waratah Education Foundation supports programs that pursue, promote and improve education outcomes, so all children can gain essential life skills and realise their academic potential. They also support and encourage educational activities and programs that help break the cycle of poverty and disadvantage amongst marginalised communities. This scholarship is funded by the Waratah Education Foundation Scholarship Fund.

This scholarship is aimed at students whose financial situation could prevent them from achieving their potential or participating fully in all aspects of their early high school years.

Up to twenty (20) scholarships are available in 2022. The scholarship will provide financial support of \$1,500 per year in year 7 and year 8 for each student plus a refurbished laptop in the first year (total scholarship value is \$3,500 per student).

The scholarship funds are intended to be spent on items including:

- Literacy and/or numeracy support
- Stationery and text books
- Laptop, iPad or other similar device
- Subject or study related software
- Printer
- Internet connection for study at home
- School excursions and school camps
- Furniture for study such as desk, chair, lamp etc

If the student does not enroll in a NSW public high school in 2022, or leaves public school during these years, the scholarship will lapse. Any unspent monies at the end of the scholarship period must be refunded to the Public Education Foundation scholarship fund.
