

Proudly Public!

2022 AWARDS

CELEBRATING EXCELLENCE
IN PUBLIC SCHOOLS

WELCOME

As ever, it is a wonderful privilege to host the 2022 Proudly Public Awards.

Once more, we celebrate the enduring values of our public education system. One of these values is excellence, which you will see in spades tonight – in the performances, in the speeches, in the personal stories. Even more importantly, you will see the fundamental public school values of character and resilience, values that we in public education have drawn on more than ever as we've charted our way through the pandemic. Many of our scholarship winners have displayed remarkable strength of character in reaching the achievements they have so far, and will no doubt draw on these for the many achievements still to come.

Tonight you'll be entertained by the Southern Stars of the NSW Department of Education, inspired by former Sydney public school student and now BBC World foreign correspondent Yalda Hakim and delighted by author, commentator and public education champion Jane Caro AM.

Of course, the evening is also a forum to say thank you to the many generous supporters of public education – the individuals, foundations and companies who make these scholarships possible. I'm sure our gratitude at PEF is shared by all the winners and their families here tonight.

In closing, allow me to ask you one small favour. Next time you're in a conversation about schools, remember the moving stories you've heard here

tonight and give a little plug to the wonderful public education system in which they take shape. It never hurts to be Proudly Public!

Yours in public education

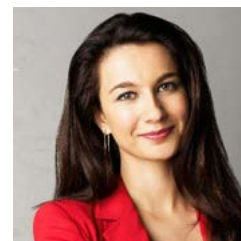

David Hetherington
Executive Director

CLOSING REMARKS

FINALE PERFORMANCE – I'M STILL STANDING

Southern Stars Performing
Company students

“The Public Education Foundation Scholarship will help me in ways that you cannot even imagine, this scholarship will change my life forever. Now I can get that extra time alone with a teacher to understand the topic properly, to be able to keep learning and learning until I understand everything, that is my dream; to understand and research everything and come up with a beautiful solution.

I would love to use this scholarship to get myself a tutor, buy senior uniforms such as shirt, skirt, jacket which can go up to almost \$150, get a table I can study on at home, and a fast working laptop.

I will make sure to use this scholarship wisely, and I am very very thankful to the Public Education Foundation that is helping students in ways that will change their lives forever.”

SOUTHERN STARS

Southern Stars is the premier performing arts event in Southern NSW, involving 3000 public school students performing to audiences in excess of 12,000 at the WIN Entertainment Centre in Wollongong each year.

Southern Stars gives public school students with a passion for music, dance, drama, and circus, an opportunity to perform and entertain in an enthralling celebration of creativity and talent in a world class arena spectacular event.

With a focus on excellence, participation, collaboration and fun - for most students participating in Southern Stars it is the highlight of their school years!

Many students involved in the show over the last 20 years, both as performers and back stage support, have gone on to forge successful careers in the entertainment industry, crediting their experiences in the program for honing their skills and talents.

Over 200 teachers and staff members generously devote their time and energy to the program as choreographers, tutors, in stage management, and many other areas, passing on their expertise, and inspiring and facilitating a new generation of entertainers.

The program is self-funded from ticket sales and generous sponsors, and supported by the NSW Department of Education.

Teachers Mutual Bank is the only remaining dedicated bank for the educator sector nationally and for over 50 years we have provided banking solutions to Australian educators and their families through competitive banking products and services.

As we've grown to become one of Australia's largest mutual banks, with over 210,000 members and more than \$9 billion in assets, two things have never changed, our passion for a thriving education sector and helping educators achieve their professional and financial goals.

We're proudly a market leader in member advocacy and committed to strong standards of corporate responsibility, so we're delighted to sponsor two professional development scholarships in partnership with the Public Education Foundation, just one of the many ways we support the education sector.
