

NATIONAL TERTIARY SCHOLARSHIP

The Public Education Foundation National Tertiary scholarship is open to current Year 12 students who attend public high schools in **metropolitan regions** in all states and territories across Australia. The scholarships seek to support motivated individuals with demonstrated merit, who are facing hardship, to realise their career goals.

To check if you are eligible to apply for this scholarship please check the [MySchool website here](#) for your school. Only students whose **SCHOOL LOCATION** is designated as **Major Cities** are eligible to apply for this scholarship. If your school location is not designated as major cities, please apply for the National Rural & Remote Tertiary scholarship.

The scholarships provide financial assistance to high potential students who intend to continue studying either at TAFE or a **public** University **after completing Year 12 in 2024**. The funds assist with the transition into and progress through post-school education e.g. University bachelor degree, TAFE accredited apprenticeship or a TAFE Advanced Diploma.

Each scholarship offered consists of an annual payment of up to \$3,000 provided at the commencement of each academic year, up to **a maximum of 3 years**. For students required to relocate in order to take up study, an additional one-off payment **may** be provided to assist with initial relocation expenses. **The value of the scholarship offered to successful students will be based on their personal circumstances and choice of post-school education.**

The scholarship is intended to cover educational expenses such as:

- Course fees
- Necessary equipment
- Stationery and books
- Laptop
- Face-To-Face Tutoring or Online Tutoring

At the end of each academic year, the student will be required to submit to the Public Education Foundation evidence of their successful progression through their study in the form of an academic transcript. If a student is not progressing satisfactorily through their study, the Public Education Foundation reserves the right to terminate the scholarship.

If a student discontinues their University or TAFE education, the scholarship will lapse. Any unspent monies at the end of the scholarship period must be refunded to the Public Education Foundation scholarship fund.

Before applying for this scholarship, please ensure that you read the [scholarship terms and conditions available on our website](#).
