***Congratulations once again to all of the scholarship recipients awarded this evening.***

Established in 1978, Capital Chemist now has 22 outlets in Canberra, 23 in New South Wales and 1 in Tasmania. They are long term supporters of public education in the ACT, donating over \$780,000 worth of scholarships to more than 855 students over the past 24 years. Capital Chemist is delighted to partner with the Public Education Foundation to offer the Capital Chemist College Scholarships to public school students in the ACT.

We Give Life-Changing Scholarships

The Public Education Foundation is a charity dedicated to providing life changing scholarships to young people, teachers and principals in public education.

The Foundation works in collaboration with schools, communities, businesses and government to support students to achieve their full potential at public school, while enhancing the value and reputation of public school education.
