

UNA MAY SMITH SCHOLARSHIP

The Public Education Foundation's Una May Smith Scholarship aims to support Aboriginal and Torres Strait Islander students to participate in and successfully complete schooling and progress to tertiary education and/or training.

The scholarship is named in honour of Una May Smith of Coogee. Miss Una May Smith had a career in education and was involved with La Perouse Public School over a number of years. Miss Smith generously bequeathed part of her estate for the establishment of this scholarship.

There are six scholarships available, one for each Stage group (Stages 1 – 6) in public school. The scholarship will provide financial support of \$1,000 per year for two years (total scholarship value is \$2,000 per student).

The scholarship is to cover educational expenses such as:

- Laptop, iPad or other similar device
- Subject or study related software
- Incidental fees (eg text book hiring, costs associated with a specialised subject etc)
- Uniforms and school shoes (including school sports clothing)
- Text books
- Stationery and general office items and equipment
- Printer
- Internet connection for study at home
- School excursions and school camps
- Costs associated with work experience linked to VET subjects
- Furniture for study such as desk, chair, lamp etc
- Face to face or online tutoring

If a student leaves public school before the end of Year 12, the scholarship will lapse. ***Please note - if a student's attendance rate falls below an acceptable level at any time during the duration of the scholarship, the scholarship may be withdrawn.*** Any unspent monies at the end of the scholarship period must be refunded to the Public Education Foundation scholarship fund.

Note for Principals: Please be aware that your statement is a critical component of the application form and your feedback is given considerable weight in the process of panel deliberations. The panels are looking for feedback that goes well beyond simple confirmation that the student is enrolled in your school, or that you endorse the application. Generic responses, or copy/paste responses from the applicants or referees' statements will disadvantage the applicant.

DRAFT PAPER APPLICATION FORM

Our online applications are a mandatory part of the PEF process; however we are aware that this can cause additional challenges for schools assisting with scholarship applications. We have developed a paper application form which will hopefully assist with this process. ***Please note that the application must still be completed online*** but the following statements may be uploaded as handwritten documents if required:

- Reference from an Aboriginal Community member
- Signed Terms and Conditions

Please make sure they are legible.

If you require a paper version of this application, please contact PEF on scholarships@publiceducationfoundation.org.au
