Six scholarships are available in 2027. The scholarship will provide financial support of \$1,500 per year in year 10, 11 and 12 for each students (total scholarship value is \$4,500 per student).

The scholarship is to cover educational expenses such as:

- Incidental fees (e.g. Textbook hiring, costs associated with a specialised subject etc)
- Uniforms and school shoes (including school sports clothing)
- Stationery and general office items and equipment
- Textbooks
- Laptop or iPad or another similar device
- Subject or study related software
- Printer
- Internet connection for study at home
- School excursions and school camps
- Costs associated with work experience linked to VET subjects
- Furniture for study such as desk, chair, lamp etc
- Face to face or online tutoring

If a student leaves public school before the end of Year 12, the scholarship will lapse. ***Please note - if a student's attendance rate falls below an acceptable level at any time during the duration of the scholarship, the scholarship may be withdrawn.*** Any unspent monies at the end of the scholarship period must be refunded to the Public Education Foundation scholarship fund.
