

AEU VIC SECONDARY INDIGENOUS SCHOLARSHIP

Connecting Indigenous public school students with the support, networks and opportunities to thrive

Overview of Scholarship

The Australian Education Union (Victorian Branch) Secondary Indigenous Scholarship is a Public Education Foundation initiative supporting Aboriginal and Torres Strait Islander students in Victorian public schools through the final years of their secondary education. Funded by the AEU Victorian Branch, the scholarship aims to help students stay engaged in learning, meet the costs of senior schooling, and work towards their goals beyond school.

Is this scholarship for you? It is open to Aboriginal and/or Torres Strait Islander students attending a Victorian public school who are entering the final three years of secondary school and can show a genuine commitment to completing Year 12, alongside financial, social, geographic or systemic barriers that could limit their opportunities without support.

About the Australian Education Union

The Australian Education Union (Victorian Branch) has supported public school students through the Public Education Foundation since 2021, funding between one and three scholarships each year. This scholarship reflects the AEU's ongoing commitment to equity in public education and to supporting students to complete their schooling and move confidently into further study, training or work.

To apply, students should be:

- Aboriginal and/or Torres Strait Islander
- Currently attending a Victorian public school, entering the final three years of secondary education
- Facing financial, social, geographic or systemic barriers that could limit access to opportunity without intervention
- Showing a genuine desire to complete Year 12 and pursue further study, training or employment
- Supported by their school as a student who will engage positively with the scholarship

Selection Process

Applications are made to the Public Education Foundation's National Secondary Indigenous Scholarship. Schools are encouraged to nominate students and assist them to apply. Applications are reviewed by a selection panel, and the Australian Education Union (Victorian Branch)-funded scholarships are awarded to eligible Victorian applicants from this pool.

Successful students are then onboarded, a code of conduct is agreed, and funds are distributed.

Funding/Assistance

- \$4,500 total (\$1,500 per year across the final three years of secondary education)
- Funds are paid to the student by prepaid Visa card and sent to the school for distribution
- Continued payments depend on confirmed enrolment
- Any unspent funds do not roll over to the next school year
